

PLEASE READ THE FOLLOWING PRIOR TO COMPLETING THE ATTACHED DOCUMENT.

Justices of the Peace are prohibited from giving any advice about your rights, nor can they give you any other type of legal advice, opinion or guidance. If you are seeking a legal opinion or require guidance about this process, you should seek out a lawyer or legal clinic. Please note that when you lay an information, you have the same rights and obligations as any enforcement agency and must follow the same procedure and meet the same test for issuing process.

ONCE THE ATTACHED DOCUMENT IS COMPLETE, PLEASE RETURN TO THE COURT OFFICE SERVICE COUNTER WHERE YOU WILL RECEIVE FURTHER INSTRUCTIONS ABOUT THE NEXT STEP IN THIS PROCEDURE.

IMPORTANT: THIS DOCUMENT MUST BE COMPLETED IN FULL AND LEGIBLE IN ORDER FOR ANY INFORMATION(S) TO BE PROPERLY PREPARED FOR SIGNATURE.

COMMENCING A PROCEEDING FOR A PRIVATE INFORMATION UNDER THE CRIMINAL CODE OF CANADA

As a citizen, you have the right to appear before a Justice of the Peace to lay charges against another person by **swearing to an Information**. A Justice of the Peace must receive the Information if it meets the statutory provisions of the *Criminal Code of Canada*.

Upon your swearing on oath to the Information outlining the charge(s), The *Criminal Code of Canada* requires that the Justice of the Peace refer the matter to a Provincial Court Judge or a designated Justice of the Peace to consider whether to issue a summons or warrant to bring the person charged before the court.

By law, the Provincial Court Judge or designated Justice of the Peace may only issue a summons or a warrant if they have heard and considered the allegations of the informant and evidence of witnesses. Also the Provincial Court Judge or designated Justice of the Peace must be satisfied that the Attorney General has received a copy of the Information and has been given reasonable notice of the hearing and an opportunity to attend the hearing to cross-examine and call witnesses and present any relevant evidence at the hearing. The hearing will not occur at the time the Information is sworn.

If the Provincial Court Judge or designated Justice of the Peace decides there are grounds to do so, a summons or, more rarely, an arrest warrant, may be issued for the accused person to compel him or her to attend in court to answer to the charge(s). ***The Provincial Court Judge or designated Justice of the Peace is not required to issue any form of process to bring someone to court if they are not satisfied the allegations set forth in the evidence presented at the hearing support the charge(s).***

NOTE: This information sheet has been prepared to provide a simple introduction to the requirements under the Criminal Code for a individual to lay a charge against another person. If you wish further advice on how the law applies in your matter, you should seek legal counsel.

I have read and understand this document.

I will say: COUNT 1 Cont'd: mitigating global warming effects while global warming,
man-made global warming, sea level rises all have been proven to be FRAUD
with scientific hard data by experts all around the world including Canadian
experts. As a matter of fact an imminent threat of an ICE AGE with the peak
of 2030-2031 is threatening our planet and our great country Canada. Canadian
government officials including Prime Minister Stephen Harper , National
Defense, RCMP, CSIS etc. have been warned by me through our formal Chemtrails
Petition in 2013 and a formal letter that I wrote via [REDACTED]
in 2013 and by Canadian Experts as well as Canadian Citizens via
formal testimonies and Chemtrails Petitions since 1999. RCMP has denied to
conduct a criminal investigation into the matter of illegal chemtrails spraying in
response to my letter. Government of Canada has denied any Chemtrails and
Geoeengineering is taking place in the Canadian air space in reponse to our Chemtrails
Petition 2013 and my letter. Contrary to the denial of Canadian Government, there
are strong evidence which suggest this illegal spraying of innocent Canadians
is happening in Ottawa, ON and Canada without their CONSENT and in some
cases without their knowledge. As a matter of fact there is a worldwide conspiracy
involving Secret societies such as Illuminati, Freemasons, pharmaceutical companies,

An ICE AGE will bring famine and death to Canada. To prevent this from
happening we need the following orders immediately:

1-An order to stop the Chemtrails and Geognieering projects in Ontario and across
Canada IMMEDIATELY because both are cooling the climate in Ontario and
CANADA and are helping the early arrival of the Ice Age.

2-An immediate protection and immunity order for me, Davoud Tohidy (informant)

3-An immediate order to remove my name, Davoud Tohidy, from any black list
so that I can locate a job.

4-An immediate order to allocate an allowance of \$2000 / month for me,
Davoud Tohidy, the Informant, reimbursable as soon as I locate a job, so I can
continue this lawsuit as I am being prevented from getting jobs and I am about
to be pushed out of my current apartment where there are surveillance videos
which will prove duress and stalking against me that I have requested from
my landlord to keep for a criminal investigation

5- An order to waive the court fees.

If yes, When? Where?

Do you have any new evidence with respect to this offence? ☐ No ☒ Yes

If yes, give details My affidavit is more than 400 pages and is the result of more than 3 years research and more than 3 months of work by myself which is heavily backed by numerous amount of scientific "hard data", studies, articles, videos, testimonies before the Canadian and US Senate made by doctors, experts, scientists and politicians from all around the world including Canada. Using the above mentioned evidence, I have either proven or provided prima facie evidence that there is a serious and imminent conspiracy against our planet and humanity in general , there is a serious threat to the sovereignty of Canada, there is a conspiracy in effect to depopulate the planet, that the sun has gone into hibernation which means there can NOT be global warming, that an ICE AGE is threatening Canada and the world, that Global warming, man-made global warming, sea level rises, CO2 causing global warming all are fraud, that the Canadian government is seriously considering Geoengineering, while there is no need for it and while it will KILL 10,000 innocent people a year killing more each year, and that toxic Chemtrails are being sprayed in Ottawa and Muskoka Lake. and that toxic substances such as Fluoride, aspartame, mercury, aluminum are permitted for consumption through food and other sources; and that these toxic substances are the cause for illnesses such as cancer, Arthritis, etc. that Calgary and Toronto floods in 2013 were man-made and part of a conspiracy against Canada. However obviously there is a need for more investigation on the matters.
